

*Auctions, Appraisals, Acquisitions, Solutions*

## **FOR IMMEDIATE RELEASE**

**Pittsburgh, PA, April 7, 2009.** M. Davis Group, LLC is pleased to announce the upcoming auction of the remaining equipment at the former Lovington Cheese Plant facility at 10:00 AM MDT on May 7, 2009 in Lovington, NM.

There will be a large number of general plant and other items that will be of interest to local buyers, including stainless steel pumps, a tremendous collection of recently installed electricals/motor control centers, boilers, air compressors, material handling equipment (including forklifts, hydraulic man lifts, pallet jacks, dollies), pallet racking, truck scale, lab equipment, maintenance shop items (including welders, table cutter and fitter, drill press, cardboard bailer and a large assortment of stainless and steel hardware and fittings), cabinets, racks, furniture & fixtures and flammable storage cabinets.

The auction will include stainless steel silos, cheese vats, processors and the finest selection of CIP Systems ever auctioned. Major food and dairy processors from across the United States, Mexico and Central America, as well as other parts of the world, are expected to participate in this auction both on site and via online bidding.

Further details/information can be found on the M. Davis Group website at [www.mdavisgrp.com](http://www.mdavisgrp.com). M. Davis Group, LLC is the leading food and dairy processing auctioneer and appraiser in the US.

In addition to the equipment to be auctioned, the real estate is also available.
